Staff Findings & Recommendations

- Staff finds HCD's determination of **projected housing need** to be a reasonable application of Government Code 65584.01.
  - This is reflective of both population growth, and the additional housing demands posed by an aging population.
- Staff finds *most* of HCD's assessments of **existing housing need** to be reasonable.
  - High-quality data
  - Sufficiently clear relationship between target and additional units (supply)
- Staff does not believe HCD's assessment of cost burden is a reasonable application of Government Code 65584.01
