Pursuant to Government Code section 65584.04, subdivision (e), to the extent data is available, SCAG shall consider including the factors listed in Government Code section 65584.04, subdivision (e) to develop its RHNA Plan. Also, pursuant to Government Code section 65584.04, subdivision (f), SCAG must explain in writing how each of these factors was incorporated into the RHNA Plan methodology and how the methodology furthers the statutory objectives described above. Pursuant to Government Code section 65584.04, subdivisions (h)-(i), SCAG must submit its draft methodology to HCD for review and a determination of consistency with the statutory objectives.

Government Code section 65588, subdivision (e)(6) specifies the RHNA *projection* period begins December 31 or June 30, whichever date most closely precedes the previous projection period end date. SCAG's local governments in Orange County, Riverside County, San Bernardino County, and Ventura County are responsible for updating their housing elements for the *planning* period beginning October 15, 2029, and ending October 15, 2037, to accommodate their share of the regional housing need for each income category. SCAG's local governments in Imperial County and Los Angeles County are responsible for updating their housing elements for the *planning* period beginning April 15, 2030, and ending April 15, 2038, to accommodate their share of the regional housing need for each income category.

The housing elements for local jurisdictions in Orange County, Riverside County, San Bernardino County, and Ventura County are due on October 15, 2029. The housing elements for jurisdictions in Imperial County and Los Angeles County are due on April 15, 2030. Please note, a jurisdiction authorized to permit residential development may take RHNA credit for new units approved, permitted, and/or built since the start date of the RHNA *projection* period (June 30, 2029).

As specified in Government Code section 65584.01, subdivision (c), a council of governments may, within 30 days from the date of this letter, file an objection to HCD's determination of the regional housing need.

HCD encourages all of SCAG's local governments to consider the many affordable housing and community development resources available to local governments. HCD's programs can be found at https://www.hcd.ca.gov/grants-and-funding.
